Hi Peter,

Sorry for the slow reply. Yes, all four of the recordings you linked/sent contain Cassia Crossbill calls. I have at least 4 records of Cassia that I still need to send to the CBRC, including the one from Park County and the one from Silverthorne in 2012.

Nathan,

Some committee members have asked whether you have heard and approved of Cassia Crossbill recordings from the summer of 2022. We have 3 records submitted. The first is from Eric DeFonso and myself, and these recordings are attached. The second is from Kathy Mihm Dunning, whose ebird checklist is <https://ebird.org/checklist/S116241382> The third is from JoAnn Potter Riggle, whose ebird checklist is <https://ebird.org/checklist/S116272355> JoAnn says you contacted her, so I presume you think these calls are from Cassia Crossbills.

Thanks for your help, Peter.
