ELIMINATION OF SIMILARLY APPEARING SPECIES:

THOUGH THERE WERE NO OTHER IBIS AROUND, I GOT THE
IMPRESSION THAT THIS BIRD LOOKED LARGER THAN WHITE FACED
IBIS. I DO NOT KNOW HOW ONE WOULD SEPARATE AN ADULT
WHITE IBIS FROM AN ALBINO WHITE-FACED IBIS

PRIOR EXPERIENCE WITH THIS AND SIMILARLY APPEARING SPECIES:

I HAVE SEEN THOUSANDS OF WHITE-FACED IBIS AND DOZENS
OF GLASSY IBIS. I HAVE SEEN DOZENS OF WHITE IBIS IN
TEXAS AND FLORIDA.
