The birds were heard in conifer trees of pines and spruce.

Other observers who independently identified the bird

(Please list names and address):

Jan A. Truan 812 West 14th Street, Pueblo Co. 81003

Describe in great detail the bird which you saw. The field
marks used to identify the bird. Include Size, overall
shape, plumage, and color pattern; details on shape of bill,
wings, and tail.:

I identified the birds by their three noted dog barking
notes that the birds gave.

Describe the bird's calls or sounds if heard:

The birds gave a three noted dog barking notes.

List similar species and how you eliminated them:

Barred Owl: Because there call is a whoo-cook's-for-you-al
call say's Man.

Prior experience with this and similar species:

I've seen one Spotted Owl in Arizona in 1957 and heard one
give the same call I described in 1990 in the Wet Mountains
in Colorado.

I've never seen a Barred Owl.
